

Chamber Publications

The Chamber produces a variety of monthly and annual publications, which members can use to market their businesses. The BAY BIZ is the monthly newsletter of the Chamber showcasing events, issues, and spotlighting our volunteers. The Bay Biz is distributed in hard copy through the News Herald and electronically to the membership. Annually the Chamber produces the Relocation Guide, a magazine directed to those looking to move to our area. The publication gives in-depth information about the different cities, schools, business climate and more.

Other informational publications can be purchased from the Chamber...
